

Artist callout

The gallery at Nice Things in Harbour Street Ramsgate invites artists to submit works to create an exhibition for Christmas, for the close of this year and the start of the next - CELEBRATE. We seek work that responds to the concept of what it means to celebrate – to honour, acknowledge, praise or rejoice. A person? A place? Something you believe in? What matters to you, that you are inspired to celebrate? What gives you a sense of joy, of uplift and gives you feeling so happy you just want to celebrate it? We are celebrating our 5th Christmas at the gallery and all the learning we've done – and the honour it's been to show and sell some really beautiful and impactful work.

The exhibition will run for eight weeks from Thursday 2 December, with submissions closing on Saturday 27 November. Along with the work, we ask for a written statement about why the piece is important to you, what does it CELEBRATE? These will be displayed in the exhibition alongside the work.

TO SUBMIT

- We want to show paintings, print, collage, textiles and sculpture.
- Please email up to 3 jpeg images to info@nice-things.co.uk by Saturday 27 November.
- Use the form attached to tell us your name, the titles of works, medium and prices.
- If this is impossible, bring photographs to the gallery by the same date.
- We will confirm selections by return and receive artworks from Sunday 28 November.
- There is a £10 hanging fee for works shown and a commission of 10% on sales of pieces over £100 – lower priced works will not pay a commission, just the hanging fee.
- All works need to be ready to hang, with D-rings attached to the frame, approximately 1/3 below the top of the artwork.

Thank you – we look forward to hearing from you!

Suzy Humphries
