

WINTER OPEN EXHIBITION: 12 Dec - 15 Jan 2019

Callout for submissions

Sitting in the centre of Ramsgate, just off the harbour, The Gallery at Nice Things has been open for nearly 18 months. We launched our Winter Open in 2017 and enjoyed it so much we will continue with a second show, for 2018. Our aim - to highlight the wealth of creative talent in our area, with a fine display of bold contemporary work!

This year we have introduced a young artist category, for anyone aged 16 and under.

The exhibition is open to original paintings, prints, photographs, hanging textiles and sculptures. We are keen to show work at all prices, from artists in Thanet and across East Kent. Artists may submit up to three works, free of charge. Each work accepted is then displayed at a fee of £10 each. Commission 20% is paid on sales, so hanging a piece on sale at £100 would cost £30 in gallery fees.

10% of all proceeds from the exhibition will be donated to the charity Ramsgate Arts. A winning piece will be chosen by the gallery and the artist will have the gallery space free for a two-week exhibition. To submit, please use the attached form and do read the terms and conditions!

Deadline to submit: 27 November Notification: 29 November

Delivery of works to gallery: 9 - 11 December Private View: Friday 14 December 6 - 9pm

Exhibition open dates: Wednesday 12 December - Tuesday 15 January 2019

WINTER OPEN EXHIBITION 2018

Terms

You may submit up to three pieces for the exhibition.

Each piece accepted pays a fee of £10 to display, in order to be included in the exhibition.

Hanging fees must be paid by 10 December (BACS transfer, cash or cheque)

All works submitted must be for sale and a commission of 20% will be taken on sales during the exhibition.

The artist agrees permission for us to use images of the work in publicity for the event.

You must be able to deliver the work to Nice Things between 9-11 December, and make sure it is labelled with your name, the title of the piece and the selling price.

Works to hang need to have D-rings and stringing, which should be set at 3 inches from the top of the work for the hanging system to work effectively ie hang straight and not tip forwards.
